TYKE JAMBOREE POLICY

Introduction

Games are still played at the Initiation level but they are to be done in a cross-ice environment. To ensure consistency across Northern Ontario, the NOHA Board of Directors has supported that all "tournaments" hosted in the NOHA are to be in a jamboree-style.

Jamborees are an excellent way to get many games in a short amount of time. They are also an excellent way for players to develop their technical skills, make new friends, and have fun!

Tyke Jamboree Hosting Application

Application is to be made to the NOHA Office in the same manner that all other tournaments are requested. A separate application form has been developed for Jamborees and is available on the NOHA website.

Attending Tyke Jamborees

All requests to attend Jamborees are to be done via the NOHA Tournament Portal. Requests are submitted to your Minor Hockey Association and then entered on to the Portal by the designated person within the Association.

Jamboree Rules

- Jamborees can only be hosted after December 1.

TSMHA Tyke Jamboree Fund Raising
