Order deadline is One Month from photoday.

Dear parents / guardians of TSMHA players,

Photografiks is proud to announce all photos will be available for proofing and purchase online through our website www.photografiks.net. After Hockey photo day your player will be bringing home our sports portrait program postcard containing a **TICKET CODE** that will grant you secure access to your players photos online. Our proofing / payment platform is mobile friendly, so you can view your photos anywhere. Within **Ten business days** after photoday your photos will be available for proof / purchase. We provide an integrated green screen experience, you will be able to preview your background choice in real time. All packages purchased online include a **free** download for sharing on social media.

There will be an order deadline. Customers will have one month from photoday to place an order without a delivery charge. All orders submitted before the deadline will be delivered to the league and sent home with your player. After the deadline all orders will be subject to a **\$7.50** delivery charge and your photos will be direct shipped to the address you provide us at checkout.

All players will receive a complimentary Memory Mate containing 1 player photo and 1 team photo.

For those customers who don't have a cell phone or internet access an order form can be downloaded from <https://photografiks.net/forms/> or from the photographer on photoday. On photoday the photographer will accept cash for order form purchases.

Please feel free to contact us with any questions you may have.

Yours Truly,

James Hayward
